SUMMARY: If you experienced property damage as a result of Hurricane Milton, the following information and linked handout will assist you in filing a claim. https://www.macdill.af.mil/Portals/26/AFCSC%20Claims%20Handout_1.pdf

If you have personal property located on MacDill AFB that was damaged as a result of the hurricane, you should first file a claim(s) through your insurance company (typically renter's or automobile insurance). Should you need to file a property claim, household goods claim, or a claim for a vehicle that is in storage or shipment with the DoD, please utilize the Air Force Claims Service Center (AFCSC) website. The link is <https://claims.jag.af.mil/>. If any questions arise about the claims process or if you do not have a .mil account from which to request a username and password, please contact the AFCSC at AFCSC.JA@us.af.mil or DSN 314-986-8044, COMM 937-656-8044 or Toll Free at 1-877-754-1212, Monday through Friday, 0900-1500.

You are eligible to file a claim with the AFCSC if you are a Proper Claimant and the event occurred at an authorized location.

Proper Claimants:

- Active Duty Air Force (members of other services need to file with their respective branch) (members TDY must include a copy of their TDY orders)
- AF Reserve or ANG Personnel are proper claimants if they were:
- Performing federally funded active duty;
- Performing Inactive Duty for training;
- Full Time National Guard duty; or
- ANG Technicians under 32 USC Section 709
- For Civilian Employees, you must be paid from Air Force appropriated funds to be proper claimants, and the event must have occurred at your place of duty. Civilian Employees must provide a copy of their most recent SF-50 for employment verification.

Authorized Location:

The event must have occurred at an authorized location. Typically, this is the assigned place of duty or at assigned government quarters (to include privatized housing). Private off-base CONUS residences are not authorized locations, nor are the off-installation transit routes between home and place of duty/employment.

The 6th Air Refueling Wing Legal Office is here to assist in facilitating any claims to the AFCSC. Please direct any specific questions to 6ARW.ja.generallaw@us.af.mil or 813-828-4421. For any type of claim, it is important to **FULLY DOCUMENT** the damage with photos and videos to include with the claim package.

MACDILL PUBLIC SERVICE ANNOUNCEMENT

TITLE: Property Damage Claim

SUMMARY:

If you experienced property damage as a result of Hurricane Milton, the following information and linked handout will assist you in filing a claim.

https://www.macdill.af.mil/Portals/26/AFCSC%20Claims%20Handout_1.pdf

If you have personal property located on MacDill AFB that was damaged as a result of the hurricane, you should first file a claim(s) through your insurance company (typically renter's or automobile insurance). Should you need to file a property claim, household goods claim, or a claim for a vehicle that is in storage or shipment with the DoD, please utilize the Air Force Claims Service Center (AFCSC) website. The link is <https://claims.jag.af.mil/>. If any questions arise about the claims process or if you do not have a .mil account from which to request a username and password, please contact the AFCSC at AFCSC.JA@us.af.mil or DSN 314-986-8044, COMM 937-656-8044 or Toll Free at 1-877-754-1212, Monday through Friday, 0900-1500.

You are eligible to file a claim with the AFCSC if you are a Proper Claimant and the event occurred at an authorized location.

Proper Claimants:

- Active Duty Air Force (members of other services need to file with their respective branch) (members TDY must include a copy of their TDY orders)
- AF Reserve or ANG Personnel are proper claimants if they were:
 - Performing federally funded active duty;
 - Performing Inactive Duty for training;
 - Full Time National Guard duty; or
 - ANG Technicians under 32 USC Section 709
- For Civilian Employees, you must be paid from Air Force appropriated funds to be proper claimants, and the event must have occurred at your place of duty. Civilian Employees must provide a copy of their most recent SF-50 for employment verification.

Authorized Location:

The event must have occurred at an authorized location. Typically, this is the assigned place of duty or at assigned government quarters (to include privatized housing). Private off-base CONUS residences are not authorized locations, nor are the off-installation transit routes between home and place of duty/employment.

The 6th Air Refueling Wing Legal Office is here to assist in facilitating any claims to the AFCSC.

Please direct any specific questions to 6ARW.ja.generallaw@us.af.mil or 813-828-4421. For any type of claim, it is important to FULLY DOCUMENT the damage with photos and videos to include with the claim package.

Finally, please make sure your chain of command is tracking any home or personal property damage caused by Hurricane Milton. There are other avenues of support potentially available to those who were affected.

Subject: PSA: Uninhabitable Residence Lease Termination
Date: Friday, October 11, 2024 12:29:06 PM

MACDILL PUBLIC SERVICE ANNOUNCEMENT

TITLE: Uninhabitable Residence Lease Termination

SUMMARY:

If you are staying in a rental property off-base that was severely damaged in Hurricane Helene and/or Hurricane Milton, you may be able to legally terminate your lease.

If the rental property was damaged or destroyed by the storms to the point that the enjoyment of the premises is substantially impaired, you may have grounds to terminate your rental agreement and immediately vacate the property IAW Florida Statute 83.63. Substantial impairment would include significant water damage in the property where remediation of the property is required, large openings caused by wind or water that leave the home open to the elements, or some other severe impairment. Substantial impairment does not include extended power outages.

To assert your rights under the statute to terminate the lease, your home must be rendered UNUSABLE or UNINHABITABLE as a direct cause of Hurricane Helene or Hurricane Milton. Rental agreements may not be terminated if the damage occurred because of the tenants wrongful or negligent acts. If the home is uninhabitable, you are allowed to terminate the lease once you vacate. Your home is not substantially impaired or uninhabitable if you are able to live there protected from elements or if repairs could be safely made while you still occupy the residence. If only part of the property is rendered unusable, you may vacate the part rendered unusable, and your rent must be reduced by the fair rental value of that part of the rental home which was damaged or destroyed.

Any communications with your landlord regarding termination or rent reduction should be in writing. You should send any notices of termination via certified mail and email. It is important that you retain copies of all communications for your records.

Please call 6 ARW/JA at (813) 828-9297 or email us at 6ARW.JA.Generallaw@us.af.mil to make a legal assistance appointment related to rental terminations due to Hurricane Helene or Hurricane Milton.
