EXECUTIVE DIRECTOR'S MESSAGE

Thank you for being interested in our Veterans, their families, and survivors through this 2026 edition of the Florida Veterans' Benefits Guide. The Florida Department of Veterans' Affairs is a constitutionally chartered department responsible for serving the Nation's second largest Veteran population. Operating as the premier point of entry for Florida's nearly 1.4 million Veterans, FDVA operates a network of nine State Veterans' Homes and provides statewide outreach to connect Veterans with their earned services, benefits and support.

As a Navy Veteran, Governor Ron DeSantis provides a clear vision and effort to ensure Florida remains a national leader in honoring and supporting our Veterans. His administration has committed hundreds of millions of dollars to our department, helping to ensure Florida continues to be the most Veteran friendly, appreciated and sought after state in the Nation. The Florida Legislature has been equally supportive of Florida Veterans, and we appreciate their steadfast guidance and support of Veterans' issues.

Florida offers unique benefits such as no-cost benefits and disability claims counseling, in-state tuition rates for those using the Post-9/11 GI Bill, a range of property tax exemptions, expanded Veterans' preference for employment, and extensive licensure and fee waivers for many activities and occupations.

To learn more about your earned benefits, please contact one of our State Veterans' Service Officers by calling (727) 319-7440. You may also contact them via email at FDVA.VSO@FDVA.FL.GOV. Our team of Hope Navigators is also hard at work connecting Veterans and their families with information and resources to improve their quality of life. Contact them via email at HopeNavigators@fdva.fl.gov or call (833) GET-HOPE. All outreach services are free to the Veteran. Follow us online at FloridaVets.org and subscribe to our free monthly email subscription newsletter or download our Mobile App. You may also follow us on our many social media platforms such as X, Facebook and LinkedIn.

We are honored to serve you.

OUR MISSION

To advocate with purpose and passion for Florida veterans and link them to superior services, benefits and support.

GOVERNOR'S MESSAGE

The State of Florida is committed to remaining the most military- and veteran-friendly state in the nation. As a Navy veteran, I am proud to support those who have bravely served our country.

In 2025, Florida provided an additional \$20.8 million to support capital improvements for our State Veterans' Nursing Homes, continued funding of \$1 million to provide for a Veterans' Dental Care Grant Program for eligible veterans, and renewed a \$2 million investment to assist veterans in securing meaningful skills-based employment and provide employers with a skilled talent pipeline. I also signed legislation to protect veterans from predatory practices by cracking down on bad actors who seek to exploit veterans navigating the benefits process, expand veteran suicide prevention programs and direct the creation of a statewide plan for adult health care centers dedicated to veterans.

I encourage all veterans in Florida to consult the Florida Veterans' Benefits Guide for more information about these earned services, benefits and support at FloridaVets.org.

Thank you to our service members and veterans who call Florida home. We are here to support you and will always honor your sacrifice to our country.

FLORIDA VETERANS FOUNDATION (FVF)

We have been working hard in 2025 to find and educate Veterans on their benefits. But it doesn't stop there. We rise to the challenge of solving their problems. Each day brings successes for our Veterans. FVF works in direct support of the Florida Department of Veterans' Affairs. FVF provides special focus on solving what seems to be insurmountable odds. I am excited to report that we are now in our 16th year honing our skills in collaboration with our extraordinary partners.

Dr. Pia S. Woodley, DBA

The Foundation operates for charitable and educational purposes under Section 501(c) (3) and works closely with the 67 County Veteran Service Offices, which are "frontline" for Florida Veterans and local Veteran community organizations providing hands-on care for our Veterans. The Foundation is the safety net for Florida Veterans and works proactively, partnering with State Veteran Service Organizations and partners to assist veterans in need with housing, transportation, and all benefits.

Florida Veterans Crisis Line

For 24-hour counsel, call the National Veteran Crisis Hotline at 988 then press 1. Remember, you are NOT alone! Florida Veterans can call the Florida Veterans Support Line at 2-1-1.

Connecting Aging Veterans with Benefits

Many Florida Veterans and their families are also unaware of earned VA benefits available such as VA Pension with Aid and Attendance, which helps subsidize the cost of Long-Term Care. Our combined efforts, with the Foundation partners, ensure that earned benefits go to aging Veterans in Florida. Visit <https://www.helpflvets.org/aidandattendance> for more information.

Connecting Veterans with Aging Veterans

New programs are available to connect Veterans that want to help the aging Veterans through teaming with one of the nine Florida Veterans' Nursing Homes to help serve meals and engage in many other activities. Please go to either the FDVA or FVF Websites for further information.

You may also visit www.HelpFLVets.org to learn about the new Gadsden Flag, Don't Tread on Me, License Plate, which 90% goes directly to Florida Veterans. Become an ambassador, honor a veteran, donate in memory of or donate to support many of our services and programs. The first order of business was to provide dental care to the aging Veterans in State Veterans' Homes.

Thank you for helping us fulfill our mission of "No Florida Veteran Left Behind."

NO-COST BENEFITS & DISABILITY CLAIMS COUNSELING

VA Disability Compensation is a tax-exempt monetary benefit administered by the U.S. Department of Veterans Affairs (VA) to eligible veterans whose disabilities are the result of, or were aggravated by, their military service. This compensation is designed to acknowledge the impact of service-connected physical and mental health conditions and to provide financial support to affected veterans. The amount of compensation awarded is determined by the severity of the disability, evaluated on a scale ranging from 0 to 100 percent. Additional compensation may be granted for eligible dependents or under provisions for special monthly compensation. Beyond monetary benefits, qualified veterans may also gain access to healthcare services, vocational rehabilitation, and other VA resources intended to promote overall well-being and quality of life. The Florida Department of Veterans' Affairs has State Veterans' Service Officers to connect you with these earned services at no charge. For assistance, call (727) 319-7440 or send an email to **FDVA.VSO@FDVA.FL.GOV**.

The Florida Department of Veterans' Affairs has State Veterans' Service Officers co-located with the VA Regional Office in Bay Pines, each VA Medical Center and many VA Outpatient Clinics. Assistance with claims is free and covers all state and federal veterans' programs. FDVA, through its Bureau of State Approving Agency, also evaluates and approves secondary and post-secondary education programs so Floridians can take advantage of federal veterans' educational programs such as the Post-9/11 GI Bill®. For more information or for assistance, call (727) 319-7440 or visit **FloridaVets.org**. Most federal, state and local veterans' benefits require proof of military service through an official discharge document, often called a DD-214 or one of its predecessors. You may request a free copy of your military service record through the National Archives at **www.archives.gov/veterans**.

VETERANS' BENEFIT: HEALTH CARE

Medical Care

To the extent resources and facilities are available, the VA provides hospital care covering the full range of medical services to veterans. Eligible veterans may receive medical treatment at any VA Medical Center or Clinic in Florida.

The PACT Act

The PACT Act expands and extends eligibility for VA health care for veterans with toxic exposures and veterans of the Vietnam, Gulf War, and post-9/11 eras. It adds more than 20 presumptive conditions for burn pits, Agent Orange, and other toxic exposures. It adds more presumptive-exposure locations for Agent Orange and radiation. It also requires VA to provide a toxic exposure screening to every veteran enrolled in VA health care.

As part of the PACT Act, the VA announced in 2024 that all veterans who were exposed to toxins and other hazards while serving in the military — at home or abroad — will be eligible to enroll directly in VA health care. All veterans who served in the Vietnam War, the Gulf War, Iraq, Afghanistan, the Global War on Terror, or any other combat zone after 9/11 will be eligible to enroll directly in VA health care without first applying for VA benefits. Additionally, Veterans who never deployed but were exposed to toxins or hazards while training or on active duty in the United States will also be eligible to enroll. For enrollment assistance, contact a state veterans' service officer at (727) 319-7440 or via email at FDVA.VSO@FDVA.FL.GOV.

One-time Dental Treatment

Following separation or retirement from service, veterans have 180 days to receive one-time separation dental care from the VA, if the certificate of discharge does not certify that the veteran was provided a complete dental examination and treatment prior to discharge. (38 CFR 17.161)

VA Offers Dental Insurance Program

VA partnered with Delta Dental and MetLife to allow eligible veterans, plus family members receiving care under the Civilian Health and Medical Program (CHAMPVA), to purchase affordable dental insurance. There are no eligibility limitations based on a service-connected disability rating or enrollment priority assignment. For more information, visit Delta Dental at www.deltadentalvadip.org or MetLife at www.metlife.com/vadip.

Camp Lejeune

The U.S. Department of Veterans Affairs has established a presumption of service connection for 15 diseases associated with exposure to contaminants in the water supply at Camp Lejeune, N.C. Active duty, Reserve and National Guard members who served at Camp Lejeune or MCAS New River, N.C. for a minimum of 30 days (cumulative) from Aug. 1, 1953, through Dec. 31, 1987, may be eligible for disability benefits. For more information, visit <https://bit.ly/3ZLntZN>.

FEDERAL VETERANS' BENEFIT: EDUCATION UPDATES

(Please go to www.benefits.va.gov/gibill for complete VA educational assistance information)

Post - 9/11 GI Bill

Post-9/11 GI Bill® recipients (Ch 33), and those receiving the Marine Gunnery Sergeant John David Fry Scholarship who transitioned out of the military after January 1, 2013, no longer have a 15-year delimiting date for the use of their awarded education benefits (PL 115-48).

Post-9/11 GI Bill® beneficiaries must also now verify their enrollment at a school to VA, monthly (PL 116-315, Section 1010). To learn more, visit: <https://www.va.gov/education/about-gi-bill-benefits/post-9-11/>

Retroactive Induction

Effective April 1, 2021, VA announced they would review beneficiary files for Retroactive Induction where VA will not count veteran entitlement used in the Veteran Readiness and Employment program (VR&E - Ch 31) against the 48-month rule for GI Bill® benefits (maximum entitlement). To maximize educational assistance, a veteran would want to use VR&E benefits first and then GI Bill® benefits.

Montgomery GI Bill®

Provides eligible, honorably discharged veterans who enlisted after June 30, 1985, educational assistance after leaving the service if the servicemember elected to participate in the education program within the first 12 months of service. The delimiting date of this benefit is 10 years from the discharge date.

Public Law 117-328, Section 215, will amend 38 USC §3501(a)(6) on August 1, 2026, and will terminate Dependent Educational Assistance (Ch 35) benefits at Secondary Institutions (high schools). Thereafter, Chapter 35 benefits will only be available at Post Secondary Institutions, www.va.gov/family-and-caregiver-benefits/education-and-careers/dependents-education-assistance/ and higher institutions.

VETERANS' BENEFIT: PENSION

Aid & Attendance/Dependency & Indemnity Compensation

Pension is a needs-based benefit paid to wartime veterans who meet certain age or non-service connected disability requirements. Aid and Attendance is an increased monthly pension amount paid to a veteran or surviving spouse. You may be eligible if you require the aid of another person in order to perform activities of daily living, such as bathing, feeding, dressing, toileting or adjusting prosthetic devices.

Dependency and Indemnity Compensation is a tax-free monetary benefit paid to eligible survivors of military service members who died in the line of duty or eligible survivors of veterans whose death resulted from a service-related injury or disease. A death certificate indicating the cause of death was service-connected is evidence needed by survivors when applying for the DIC benefit. However, the service-connected condition does not have to be the immediate cause of death; it need only be a “significant contributor” to the veteran’s death. Veterans and their spouses should provide copies of the veteran’s VA Disability Rating Letter to their non-VA physicians. Physicians should add the letter to the veteran’s medical record.

For eligibility requirements, contact a State Veterans’ Service Officer or County Veteran Service Officer. You may also visit www.benefits.va.gov/benefits/factsheets.asp or call toll free (800) 827-1000.

Note: The programs, processes and criteria for receiving Social Security and VA disability benefits are different. Visit <https://www.ssa.gov/people/veterans> or call toll free (800) 772-1213 for more information.

VETERANS’ BENEFIT: HOME LOANS & PROPERTY TAXES

The *Salute our Soldiers Military Loan Program* offers military members and veterans 30-year, fixed-rate first mortgage loans at a lower rate and with several down payment assistance options. The program is available to borrowers who are purchasing a primary residence, meet income and purchase price limits, can qualify for a first mortgage loan, and successfully complete a homebuyer education course. For details, visit www.floridahousing.org or call (850) 488-4197.

G.I. Home Loan Guarantee and Adaptive Housing Grants

The VA may guarantee part of your loan for the purchase of a home, manufactured home, or condominium. In addition, veterans with conventional home loans now have options for refinancing to a VA guaranteed home loan as a result of the Veterans’ Benefits Improvement Act of 2008. The VA also provides grants to veterans with certain permanent and total service-connected disabilities to help purchase or construct an adapted home, or modify an existing home to accommodate a disability. For information, call (877) 827-3702 or visit www.benefits.va.gov/homeloans.

Basic Property Tax Exemptions

Eligible resident veterans with a VA certified service-connected disability of 10 percent or greater shall be entitled to a \$5,000 deduction on the assessment of their home for tax exemption purposes. The veteran must establish this exemption with the county tax official in the county in which he or she resides by providing documentation of this disability. The unremarried surviving spouse of a disabled ex-service member is also entitled to this exemption. (FS 196.24)

Additional Property Tax Exemptions

Any real estate owned and used as a homestead by a veteran, who was honorably discharged and has been certified as having a service-connected, permanent and total disability, is exempt from taxation if

the veteran is a permanent resident of Florida and has legal title to the property on Jan. 1 of the tax year for which exemption is being claimed. (FS 196.081(1))

Any real estate owned and used as a homestead by the surviving spouse of an Armed Forces member who died from service-connected causes while on active duty is exempt from taxation if the member was a permanent resident of Florida on Jan. 1 of the year in which the member died. (FS 196.081(4)(a))

If, upon the death of the veteran, the spouse holds the legal or beneficial title to the homestead and permanently resides there, the exemption from taxation carries over to the benefit of the veteran's spouse until such time as he or she remarries, sells, or otherwise disposes of the property. If the spouse sells the property, an exemption not to exceed the amount granted from the most recent ad valorem tax roll may be transferred to the new residence as long as it is used as the primary residence and the spouse does not remarry. (FS 196.081(3))

Any partially disabled veteran who is age 65 or older, any portion of whose disability was combat-related, and who was honorably discharged, may be eligible for a discount from the amount of ad valorem tax on the homestead commensurate with the percentage of the veteran's permanent service-connected disability. Eligible veterans should apply for this benefit at the county property appraiser's office. (FS 196.082) This exemption carries over to surviving spouses effective Jan. 1, 2021.

Any real estate used and owned as a homestead by any quadriplegic is exempt from taxation. Veterans who are paraplegic, hemiplegic, or permanently and totally disabled who must use a wheelchair for mobility, or are legally blind, may be exempt from real estate taxation. Check with your local property appraiser to determine if gross annual household income qualifies. The veteran must be a resident of Florida. (FS 196.101)

Service members entitled to homestead exemption in this state, and who are unable to file in person by reason of such service, may file through next of kin or a duly authorized representative. (FS 196.071)

Disabled Veterans' Exemption from Fees

Total and permanently disabled Florida veterans are exempt from county and municipality building license or permit fees when making certain improvements to their residence in order to make the dwelling habitable or safe. Restrictions apply. (FS 295.16)

VETERANS' BENEFIT: INSURANCE

The U.S. Department of Veterans Affairs has increased the maximum amount of life insurance coverage available to Veterans and service members to \$500,000 for Veterans' Group Life Insurance and Servicemembers Group Life Insurance. The increase in helps ensure the families of Veterans and service members will have the financial support they deserve.

Eligible spouses and dependents may be buried if they predecease the veteran. The VA provides eligibility determinations for interment in a national cemetery prior to the time of need. Through the Pre-Need Determination of Eligibility Program, upon request, individuals can learn if they are eligible for burial or memorialization in a national cemetery. To make burial arrangements at any open VA national cemetery at the time of need, call the National Cemetery Scheduling Office toll free at (800) 535-1117. Driver License & State ID Fee Exemptions

Any veteran of the U.S. Armed Forces who has been issued a valid identification card by the U.S. Department of Veterans Affairs in accordance with Section 295.17, Florida Statutes, has been determined by the U.S. Department of Veterans Affairs or its predecessor to have a 100% total and permanent service-connected disability rating for compensation, or has been determined to have a service-connected total and permanent disability rating of 100%, is in receipt of disability retirement pay from any branch of the United States Armed Services, and who is qualified to obtain a driver's license under this chapter is exempt from certain driver license fees. The veteran must present a card or letter from the VA stating 100 percent total and permanent service-connected disability rating for compensation, or a service-connected total and permanent disability rating of 100 percent. (LR24.4a) However, some reinstatement fees are required.

The Florida Department of Highway Safety and Motor Vehicles or a county tax collector may issue or renew a state ID card to a person who presents evidence that he or she is homeless without payment of fees. A nominal fee may apply in offices operated by county tax collectors. Homeless veterans may prove their status with a letter from the U.S. Department of Veterans Affairs that establishes eligibility in the U.S. Department of Housing and Urban Development-VA Supportive Housing Program, known as HUD-VASH.

Disabled Veteran Motor Vehicle License Plate

A disabled Veteran who meets the requirements may be issued in lieu of the DV license plate a military license plate for which he or she is eligible or a specialty license plate. A disabled veteran electing a military license plate or specialty license plate under this subsection must pay all applicable fees related such license plate, except for fees otherwise waived.

The veteran must provide proof of a service-connected 100-percent disability rating or that the vehicle was acquired through VA financial assistance. Note: Free license plates with a wheelchair emblem are available for those veterans permanently confined to a wheelchair and who otherwise qualify for a DV plate. Service charges may apply (FS 320.084). For eligibility requirements and more information, call (850) 617-2000 or visit www.flhsmv.gov/pdf/proc/rs/rs-17.pdf.

Parking for Disabled Veterans

Parking spaces for persons with disabilities are for the exclusive use of individuals who have permanent or temporary impairments. (F.S. 553.5041(3)). Disabled veterans who have been issued a "DV" plate may park in designated handicapped parking spaces. Disabled veterans with a mobility impairment may apply for the disabled parking plate with the wheelchair emblem to avoid possible fines and penalties. No state agency, county, municipality or agency thereof may charge the driver of a vehicle displaying a "DV" license plate any fee for parking on public streets, highways or in any metered parking space. There are exemptions to this benefit, which may be found in Florida Statute 316.1964. Legislation also prohibits the governing body of each publicly owned or publicly operated airport from charging parking fees to vehicles displaying certain disabled veteran license plates.

Military License Plates

The Department of Highway Safety and Motor Vehicles issues special use license plates for eligible military members and veterans. These special use license plates, honoring wartime service, awards, campaigns and decorations, and status are issued after the applicant provides documents establishing proof of status, such as a DD-214, and upon payment of the license tax imposed by s. 320.08, F.S. License fees and taxes vary. Visit www.flhsmv.gov/motor-vehicles-tags-titles/personalized-specialty-license-plates for more information.

The unremarried widow or widower of a veteran who died of a service-connected disability.

The mother, father, legal guardian, or unremarried widow or widower of a member of the U.S. Armed Forces who died in the line of duty under combat-related conditions, as verified by the U.S. Department of Defense.

A current member of any reserve component of the U.S. Armed Forces or the Florida National Guard.

Veterans must have been honorably discharged as indicated on their DD214 to be eligible for preference. Eligible applicants who meet the requirements for the position are guaranteed preference at every step throughout the hiring process.

Public entity employers who advertise for qualifying positions must make the applicant aware that preference is available. The employer must also provide the applicant with information as to what can be done if the veteran believes he/she was denied preference in employment, promotion or retention.

An applicant who believes he or she was not afforded employment, promotion or retention preference may file a complaint with the FDVA. The complaint must be made within 60 days from the date a non-select notice was received. The FDVA can investigate and make a determination as to whether a violation has occurred.

For more information, call (727) 518-3202, Ext. 5511, or email **VeteransPreference@fdva.fl.gov**. You can also mail a detailed complaint to: 11351 Ulmerton Rd, Suite 311-K, Largo, FL 33778-1630.

Certification of Discharge or Separation

You may request a copy of your military service record by visiting the National Archives online at www.archives.gov/veterans.

At a veteran's request, the Clerk of the Circuit Court shall record, without cost, that portion of a certificate indicating the character of discharge, separation, or service in accordance with Section 28.222(3) (d), Florida Statutes. CAUTION: Once on file, documents become official court records and are open to the public.

Veterans Courts

Veterans returning from combat may suffer from post-traumatic stress, Traumatic Brain Injury ('TBI') and/or may have difficulty reintegrating into society. Due to alienation and lack of support, some veterans fall into drug and alcohol abuse and/or develop mental health issues.

Section 394.47891, Florida Statutes, established the T. Patt Maney Veterans' Treatment Act, which authorizes a veterans' court with the purpose of addressing the substance abuse and mental health needs of veterans within the criminal justice system. Successful completion of Veterans Court has decreased the recidivism rates of its participants thanks to the proper diagnosis and treatment of mental health issues, and by providing supportive mentors to assist the veteran on his or her journey through this process. Recent legislation has also expanded the pool of veterans eligible for these courts.
